¹ Working Group Members and Invited Specialists serve in their individual capacities as scientists and not as representatives of their government or any organization with which they are affiliated. Affiliations are provided for identification purposes only. Invited Specialists do not serve as Meeting Chair or Subgroup Chair, draft text that pertains to the description or interpretation of cancer data, or participate in the evaluations.

Each participant was asked to disclose pertinent research, employment, and financial interests. Current financial interests and research and employment interests during the past 4 years or anticipated in the future are identified here. Minor pertinent interests are not listed and include stock valued at no more than US\$ 1000 overall, grants that provide no more than 5% of the research budget of the expert's organization and that do not support the expert's research or position, and consulting or speaking on matters not before a court or government agency that does not exceed 2% of total professional time or compensation. All grants that support the expert's research or position and all consulting or speaking on behalf of an interested party on matters before a court or government agency are listed as significant pertinent interests.

² Peter P. Egeghy received "in kind" support and reimbursement of travel expenses of on average less than US\$ 2000 per year during the last 4 years from participation in meetings sponsored by the American Chemistry Council, an industry trade association for American chemical companies, and the Health and Environmental Sciences Institute (HESI), a nonprofit scientific research organization based in Washington and funded by corporate sponsors.

⁸ Each Observer agreed to respect the Guidelines for Observers at *IARC Monographs* meetings. Observers did not serve as Meeting Chair or Subgroup Chair, draft any part of a *Monograph*, or participate in the evaluations. They also agreed not to contact participants before the meeting, not to lobby them at any time, not to send them written materials, and not to offer them meals or other favours. IARC asked and reminded Working Group Members to report any contact or attempt to influence that they may have encountered, either before or during the meeting.

⁹ Mette Kirstine Boye Jensen attended as an observer for Cheminova A/S, Denmark. She is employed by Cheminova A/S, Denmark, a global company developing, producing and marketing crop protection products.

¹⁰ Béatrice Fervers attended as an observer for the Centre Léon Bérard, France.

¹¹ Thomas Sorahan attended as an observer for Monsanto Company, USA. He is a member of the European Glyphosate Toxicology Advisory Panel, and received reimbursement of travel cost from Monsanto to attend EuroTox 2012.

¹² Christian Strupp attended as an observer for the European Crop Protection Association (ECPA), Belgium. He is employed by ADAMA Agricultural Solutions Ltd, Israel, a producer of diazinon and glyphosphate.

¹³ Patrice Sutton attended as an observer for the University of California, San Francisco, Program on Reproductive Health and the Environment. His attendance at this *Monographs* meeting was financed by the Clarence E. Heller Charitable Foundation, a philanthropic charity with a mission to protect and improve the quality of life through support of programmes in the environment, human health, education, and the arts.
